JOIN THE PINK LADIES AND HELP YOUR LOCAL HOSPITAL

Volunteers come in all shapes and sizes and contribute in all types of ways, but one of the most recognisable volunteers in the North Shore community is the Royal North Shore Hospital Pink Lady.

The Pink Ladies are at the heart of Royal North Shore Hospital, providing support through fundraisers but most importantly available to every patient and visitor in the hospital to help in any way they can.

Some of the hospital's Pink Ladies have been donating their time to the community's health facility for more than 30 years. These special ladies volunteer alongside some of our younger new recruits.

The Royal North Shore Hospital Pink Ladies are now looking for some fresh new faces to join them in pink, helping patients, visitors and staff in a variety of ways.

If you can smile and talk you will fit the bill, because the Pink Ladies do everything from providing patients with treats and essentials via their patient trolley service, sell beautiful gifts in their hospital show, as well as host market days, fashion shows, cake stalls, barbecues, raffles and other fundraisers. All of their profits go directly towards the purchase of equipment at Royal North Shore Hospital.

So come along and give a little of your time to your local hospital. Your cheery disposition may also go a long way in the recovery of some of the patients.

If you are interested in becoming a Royal North Shore Hospital Pink Lady, contact Volunteer Coordinator Colin Dent on 9462 9936 for information.
