

# Talking Time 2022

## A Parent Education Workshop about Early Communication

This 1 1/2 hour session is for parents of children aged between 9 and 18 months, who are interested in finding out more about their child's communication development. The workshop will cover:

- Speech and Language Development—what to expect
- Tips and strategies to support speech and language development
- Bilingual Language Development
- What to watch for and when to refer to Speech Pathology

The program is run by Speech Pathologists from the Children's Speech Pathology Team for parents who have accessed Child, Youth and Family Health Services in Northern Sydney Local Health District.

There is no cost for the workshop but donations towards equipment are much appreciated and can be made online. <https://northfoundation.org.au/how-you-can-help/donate/> Select "Royal North Shore Hospital" > "Other" > type "NSLHD CYF Speech Pathology"
