

**Time:** Every Thursday & Friday from 9am - 1pm.

**Place:** Radiation Oncology Department, Northern Sydney Cancer Centre (NSCC), Level 1, Royal North Shore Hospital.

# Free\* Acupuncture for Oncology Patients

Research has demonstrated that oncology acupuncture can be effective in the management of:

- nausea and vomiting
- immune function
- fatigue
- depression and anxiety
- hot flushes
- urinary and sexual dysfunction
- general and joint pain
- radiation induced dry mouth

For more information or to book an appointment please contact the NSCC Radiotherapy Reception on (02) 9463 1300.

## Practitioner: Assoc. Prof. Byeongsang Oh

Dr. Oh is a Clinical Associate Professor, Sydney Medical School, University of Sydney and a Research Fellow at Dana-Farber Cancer Institute, Harvard Medical School. He has practised acupuncture and other complementary medicine for over 15 years, specialising in cancer care.

Dr. Oh is a member of the American Society of Clinical Oncology (ASCO) & Society for Integrative Oncology (SIO), the Australian Acupuncture and Chinese Medicine Association (AACMA), Australian Health Practitioner Regulation Agency (AHPRA) and is registered as a Chinese medicine practitioner with the Chinese Medicine Board of Australia (CMBA). He is currently training several experienced practitioners in this field who may also treat patients.

\* Free of charge to patients receiving treatment at the NSCC, Royal North Shore Hospital. A maximum number of sessions may apply depending on clinical condition & demand on service.

Supported by The Dry July Foundation & the NSCC.
