

# Did you know that there are many diets that dinosaurs eat? These include Omnivores, Carnivores & Herbivores

Herbivores eat plants just like us!  
How about trying to grow your own  
Dinosaur Garden full of herbs and  
plants or make a crunchy Dinosaur  
salad with some lettuce, rocket or  
even berries!

ROAR!!

# Dinosaur foot template

**Who remembers:** 'Open the Door, get on the floor,  
everybody walk the dinosaur'

# Can you all stomp around like a dinosaur?

Place the dinosaur foot or feet around your home and ask your child/ren to hop, jump, skip, gallop side-slide or leap over or around the dinosaur foot.
