

Our Strategy

Our Purpose

Embracing discovery and learning, building partnerships and engaging our community, to deliver excellent health and wellbeing

Our Vision

Leaders in healthcare, partners in wellbeing

Realising our vision

We will focus on five key themes

To achieve these outcomes

While building our internal capacity

1 Healthy Communities

Prevention, early intervention and community development strategies will improve health outcomes

2 Connected Person-Centred Care

People have a good experience of care, which meets their health needs, in partnership with multiple care providers

3 Evidence-Based Decision Making

Decisions are made on the basis of best available information and a philosophy of continuous improvement

4 Responsive & Adaptable Organisation

Our structure and systems support the delivery of innovative and responsive services in partnership with other providers and our community

5 Engaged & Empowered Workforce

Our staff are confident, capable and committed to the support and delivery of good care every day
