

You just don't smoke at

# Royal North Shore Hospital

## Free Nicotine Replacement Therapy (NRT) for patients:

- Patients who smoke can receive *free* NRT support during their stay in hospital.
- If you would like to take up the free NRT offer, please speak with our nursing or medical staff.

## Other Support:

- **Call:** Quitline: 137848
- **Visit:** [www.icanquit.com.au](http://www.icanquit.com.au)

### Note:

Staff are not permitted to facilitate patient smoking, or supply tobacco or smoking related materials to any patient/client or visitor, anywhere, anytime at Royal North Shore Hospital or any other NSLHD site.
